ABOUT ME

Passionate back-end developer with a strong love for problem-solving and continuous learning. A collaborative team player with proven leadership qualities and a keen business mindset. Successfully self-learned German up to the B1 level, demonstrating dedication and a strong ability to achieve goals independently. Driven by a deep interest in programming and hacking, I thrive on tackling complex challenges and delivering innovative solutions.

WORK EXPERIENCE

Application developer

Aptech Learning [16/02/2021 – 10/10/2024]

City: Karachi | **Country:** Pakistan

- Developed and completed multiple projects, including ["Lawyers Website," "A Finance Website"].
- Utilized technologies like[Android Studio, PyCharm, Visual Studio, Django]
- Led the development of web applications using Java, Python and PHP.
- Gained hands-on experience in back-end development, database management, and debugging.
- Integrated third-party APIs and services to enhance application functionality and user experience.
- Collaborated on projects that emphasized teamwork, problem-solving, and meeting deadlines.
